

The undersigned: Mauro Guareschi
in the role of: Technical Director
of the company: IMMERGAS S.p.A
based in: Via Cisa Ligure, 95, 42041 Brescello (RE) Italy

declares that the objective of this declaration is a summary of the results obtained on Magis M Top for:

- the Seasonal Coefficient of Performance (SCOP) at low temperature application for average climate according to EN 14825:2022;
- the η_s value at low temperature application for average climate according to EN 14825:2022.

In the table below the performances and energy efficiencies of the products:

Code	Model	SCOP - W35	η_s (%) - W35
3.035574	MAGIS M5 TOP	5,10	201
3.035575	MAGIS M8 TOP	4,85	191
3.035576	MAGIS M12 TOP	4,90	193
3.035578	MAGIS M12 T TOP	4,90	193
3.035577	MAGIS M16 TOP	4,70	185
3.035579	MAGIS M16 T TOP	4,70	185

Date: Brescello, 29.10.2025
